

DURHAMSAVERS

helping people reduce costs and save the savings

Official partner of Durham County Council, NEFirst provide accounts, administration and protections for the various Durham Savers initiatives.

NEFirst are a not-for-profit credit union offering savings accounts and loans; they help us keep more money here in County Durham.

NEFirst are regulated by the Bank Of England in a similar way to banks and building societies.

All savings on deposit are protected by the financial Services Compensation Scheme.
NEFirst also offer additional benefits of membership not offered by high street banks

ABOUT THE PROJECT - Durham Savers is a County Council-led initiative aimed at supporting households and individuals to reduce costs and over paying for the services they need. The project works closely with Durham businesses, schools and community organisations to get information to staff, families and the wider community that can bring financial benefit. We also want to encourage a savings habit and help people build financial resilience, we do this by helping businesses/organisations setup staff savings schemes, school savings clubs and workshops throughout County Durham.
